American Queen Steamboat Company

UNIQUELY AMERICAN RIVER CRUISES™

## A MODERN-DAY JOURNEY OF DISCOVERY

There's no better way to rediscover the American Pacific Northwest than aboard the *American Empress*, the largest overnight riverboat west of the Mississippi. Journey with us to where the Columbia and Snake Rivers wind through gentle hills, imposing mountains, and dramatic canyons. The land appears today much like it did to Lewis and Clark in 1805. From the Columbia River Gorge to the rocky cliffs and award-winning vineyards of Cascadia, this corner of America still thrives with adventure and the pioneer spirit.

Discover one of America's most treasured regions on a paddlewheel riverboat that celebrates the centuries-old tradition of exploration in the West, combining Victorian-inspired décor with frontier flair. Unwind in the Paddlewheel Lounge and sample regional cuisine in the sophisticated Astoria Dining Room. At the end of the day, retreat to the comfort of your fine accommodations.
