As you travel along this route, you'll see beautiful landscapes and contrasts produced by the area's diverse climate ranges. Upon arrival, access to Taironaka is done via a pleasant 20- minute walk along an ecological path, during which you will start to appreciate the flora and fauna of the region. Due to its climate and fertile soil, the area started off cultivating colorful tropical flowers that are sold to international markets and which can be observed everywhere within the reserve. Today, it has also become a sanctuary for the archeological treasures of the Tairona culture which are more than a thousand years old. The museum here showcases pieces of great value and also enlightens visitors on how the Taironas lived and how they were remarkable goldsmiths, craftsmen, sailors and warriors. Following the guided portion of your tour, you are free to explore further on your own, or perhaps take a swim in the river. There is a restaurant at the Reserve where guests may purchase lunch. Continuing on to Baby Natural Bridge, you will view the remains of a coral bridge that spanned a finger of the sea until the relentless pounding surf caused it to collapse in 2005. **Duration:** 5.50 Hrs **Tour Price:** \$239.00

A stop at Folly’s Point peninsula offers a closer look at the Caribbean Sea and a brick lighthouse that has guided sailors since the 19th century. Still, the most famous waterscape is the Blue Lagoon, a mineral spring whose blue hue changes subtly throughout the day. Time at Frenchman’s Cove beach offers the chance to really enjoy the sea, as you might take a refreshing swim and stroll along the shore. The beach is tucked into a sheltered coastal nook, which typically keeps the turquoise waters calm.

- Pause for photos at scenic lookouts that offer sweeping views of the sea and beyond.
- Gain insight into the history of Port Antonio and famed residents such as Errol Flynn.
- Relax as you please on the sheltered beach at Frenchman’s Cove.
- Dress in weather-appropriate clothing.
- Wear flat comfortable walking shoes.

### ❖ GEORGE TOWN, GRAND CAYMAN

#### GCM-002 TURTLES, STINGRAYS LAND & SEA ADVENTURE

**Duration: 4.00 Hrs** **Tour Price: \$239.00**

**Date: February 05, 2023 09:30 AM**

Enjoy the natural side of Grand Cayman by visiting a turtle farm and then interacting with stingrays in the open water. Your adventure will begin with a photo stop at the governor's official residence. It is also where Queen Elizabeth II stays when visiting, as the Cayman Islands is a British Overseas Territory and she is the head of state. You will next browse the Cayman Turtle Centre, which breeds green sea turtles to release into the wild. It will be educational and great fun, unlike your next destination: Hell, a desolate spot named for its black jagged limestone. Be sure to stop at the whimsical post office and send a card postmarked from Hell. For the ultimate look at the island's marine life, you will then cruise to Stingray City, a collection of shallow sandbars teeming with southern stingrays. You might feed them or simply allow these docile creatures to brush by gracefully. Either way, it will be an exhilarating experience.

- Snap photos of the governor's residence, where Queen Elizabeth II stays when visiting.
- Discover how the Cayman Islands helps protect green sea turtles at a nature center.
- Send a postcard from Hell.
- Touch and feed stingrays or simply stand nearby in shallow water.
- Stay in town to shop following the tour, if you choose.
- Dress in weather-appropriate clothing with a bathing suit underneath.
- Bring a towel and change of clothes.
- Wear flat comfortable walking shoes.

This tour includes about an hour of moderate walking over mostly even surfaces. Guests will be on a sandbar in the water when interacting with the stingrays, and the water can be several feet deep. The tour is not available to guests who utilize a wheelchair or to guests with mobility concerns. Guests participating in water activities do so at their own risk and responsibility. Restrooms are available at the sites visited but not aboard the tour boat. Consuming alcohol before water activities is strongly discouraged. Participants under 16 years of age must be accompanied by a parent or guardian.

#### GCM-003 CULTURAL EXPRESS

**Duration: 3.50 Hrs** **Tour Price: \$149.00**

**Date: February 05, 2023 09:30 AM**

Enjoy two of Grand Cayman's top heritage attractions, an experience enhanced by narration that elaborates on the island's history and culture. Following a wonderfully scenic drive along a coastal highway, you will tour the Pedro St. James Castle, an 18th-century residence known locally as a castle because of its size and grandeur. Considered the birthplace of democracy in the Cayman Islands, the residence hosted a meeting in 1831 where a decision was made to form the islands' first elected parliament. As you will see, the grounds are as spectacular as the house, which is a National Historic Site. Continuing on, you will pass the colorful cottages in Bodden Town on the way to Queen Elizabeth II Botanic Park, where you will stroll the garden paths. The queen opened the park in 1994 and it has since become a lush wonderland of exotic plants inhabited by wildlife such as the endangered blue iguana. After a leisurely visit to the Botanical Gardens, you will return to Georgetown. Participants have the option of continuing to the pier, or being dropped in town to do some shopping. Guests who elect to stay in town are responsible for making their own way back to the pier at their own expense.

- Settle in and enjoy a panoramic coastal drive.
- Tour a seaside "castle" known as the birthplace of democracy in the Cayman Islands.
- Meander the garden paths of Queen Elizabeth II Botanic Park.
- Stay in town to shop following the tour, if you choose.
- Dress in weather-appropriate clothing.

This tour includes about 2½ hours of moderate walking and standing with uneven surfaces. The tour is not available to guests who utilize a wheelchair and guests with mobility concerns should evaluate their level of ability and stamina before joining the tour. The order of the sites visited or viewed may vary. Participants under 16 years of age must be accompanied by a parent or guardian.

**Date: February 05, 2023 12:00 PM**

Observe schools of brightly colored fish and other marine life while snorkeling a barrier reef and a shipwreck that serves as an artificial reef. The reefs off Grand Cayman are teeming with sea life, and you will likely see an abundance of creatures that may include stingrays and sea turtles. Tropical fish are plentiful and many of them are easy to identify because of their distinct colors. You might see brilliant blue tangs darting in and out of the coral, neon-colored parrotfish and Spanish hogfish, a species whose colors change as they age. If you spot purple-and-yellow ones, they are juveniles. The wreck of the Cali also attracts huge numbers of fish. This grain freighter was scuttled about 75 years ago in the shallow waters just outside the George Town harbor. It now offers an excellent, easy-to-reach snorkeling site.
