The royal city of Copenhagen is a haven of legend, culture, and architecture. The beating heart of Denmark, this friendly city holds a rich history and a distinctive collection of iconic landmarks. Discover why the Danes love their capital as you explore magnificent palaces, visit enchanting seaside promenades, and encounter structures ranging from medieval to modern.

**July 19** **Arrive in Copenhagen and transfer\* to the four-star Imperial Hotel Copenhagen.** Enjoy the remainder of the day at leisure.

**July 20** **This morning, set out on a five-hour excursion, through farmland and small villages, to tour some of Roskilde's most prominent attractions.** Explore the Viking Ship Museum, which contains the remains of five Viking vessels salvaged from the bottom of the Roskilde Fjord. Afterward, travel to the town square to visit Roskilde Cathedral. Constructed during the twelfth century, the twin-spired structure is the burial place of more than forty Danish monarchs, a UNESCO World Heritage site, and was the first cathedral to be built from brick—inspiring the spread of brick-Gothic architecture throughout northern Europe.

**July 21** **After breakfast, experience the best of Copenhagen with a half-day motor coach tour of its most prominent attractions.** See the Changing the Guard ceremony (schedule permitting) at Amalienborg Palace, a private residence of the royal family, and pass by Christiansborg Palace, the seat of the Danish parliament. View the famous statue of the Little Mermaid—inspired by Hans Christian Andersen's tragic love story—as well as the cascading Gefion Fountain. You will also see the charming and colorful old harbor of Nyhavn, among other popular sights, before visiting beautiful Rosenborg Castle, home to the crown jewels. **Transfer to Marina** in the early afternoon.

This tour involves a moderate amount of walking, some over uneven or uphill terrain, and may not be suitable for those with walking difficulties.
