Date: Nov 05, 2024 Time: 08:45 AM
Duration: 3.50 Hrs Price: \$169.00

OVERVIEW

Delve into the remains of Herculaneum, a UNESCO World Heritage site that, much like Pompeii, fell victim to Mount Vesuvius' reverberating AD 79 eruption, on this engaging tour that also takes you to a local craft center. You'll learn that Herculaneum's fate didn't quite mirror Pompeii's, since Pompeii was buried in hot volcanic ash that burned everything combustible, whereas Herculaneum was covered by scorching mud that serendipitously preserved the village and prevented looting throughout the centuries. In addition, you'll hear many of the citizens had already departed Herculaneum due to an earthquake that preceded the volcanic eruption by several years, so this city has none of the eerie body casts seen in Pompeii. During your guided tour, you might see upper-class Roman villas overlooking the sea, original statuary, inlaid marble floors, intricate wall mosaics and even carbonized wood artifacts that survived the horrific devastation, all of which provide an astonishing snapshot of life nearly 2,000 years ago. Cap off your illuminating outing with a visit to a craft center, proof that even Vesuvius' destructive outburst couldn't prevent this vibrant corner of Italy from flourishing.

HIGHLIGHTS

- Tour the eye-opening ruins of Roman-era Herculaneum, a UNESCO World Heritage site.
- See nearly intact buildings interred for centuries by a flow of scalding mud triggered by Mount Vesuvius' AD 79 eruption.
- Examine statues, inlaid marble floors, ornate mosaics and wooden items carbonized by the extreme heat.
- Shop for local crafts at a center where artisans proudly display their wares.

HELPFUL HINTS

- Bring a hat, sunglasses and sunscreen.

PLEASE NOTE

OVERVIEW

Admire the most breathtaking views of Naples from high above the city in historical San Martino, from which you will descend on foot and by funicular. The panoramic views will begin in earnest in Vomero, a fashionable district on an elevated plateau. The sights will be even more spectacular as you hike up to San Martino, an oasis well above the urban sprawl. Be sure to see its star-shaped fortress Castel Sant'Elmo and the former 14th-century Carthusian monastery. More fabulous vistas await you while walking downhill along the Pedamentina, a set of several hundred steps built in the 1500s. Although outdoor staircases and steps are abundant in hilly Naples, few compare to the Pedamentina for being scenic. In time, you will reach Corso Vittorio Emanuele, a charming street where you will hop aboard a funicular and continue your descent. While riding the funicular, you will be treated to even more magnificent views of Naples and its crescent-shaped bay.

HIGHLIGHTS

- Take in the panoramic views of sprawling Naples from several elevated lookouts.

Date: Nov 06, 2024 Time: 10:00 AM
Duration: 5.00 Hrs Price: \$259.00

OVERVIEW

OVERVIEW Gain insight into the foods and wines produced around the inland town of Santa Lucia del Mela while visiting a winery and farm. The wines are fermented in terracotta amphorae, much like it was done thousands of years ago. Unlike wooden or steel vessels, terracotta provides superior insulation, removes acidity from the wine and allows for better oxygen exchange. One of the wines that has been revitalized in this area – a mamertino – was a favorite of Julius Caesar and so beloved that the Roman scholar Pliny described it in his book Natural History. After touring the wine cellar and dining on Sicilian cuisine thoughtfully paired with wines, you will follow a path through the vineyards and olive groves to a nearby farm. Although dozens of traditional cheeses are made in Sicily, this farm produces a rare one that uses donkey milk. The dairy farmer will describe the process and offer a tasting.

HIGHLIGHTS

- Tour a winery known for its mamertino, a wine that Julius Caesar adored.
- Walk through the vineyards, tour the cellar and enjoy a wine tasting with lunch.
- Visit a farm that produces an unusual cheese with donkey milk.

HELPFUL HINTS

- Dress in weather-appropriate clothing.
- Wear flat comfortable walking shoes.

In the 1950s, the multi-talented filmmaker, poet and visual artist painted whimsical and spiritual images throughout the Saint-Pierre chapel. MRS-BB1 BEYOND BLUEPRINTS - MARSEILLE

Date: Nov 12, 2024 **Time:** 07:30 AM
Duration: 4.00 Hrs **Price:** \$269.00

OVERVIEW

Gain an insider's understanding of the challenges in building two avant-garde landmarks by touring them with an architectural historian. Perched along the waterfront, La Villa Méditerranée was designed to embody Marseille's deep bond with the sea. Instantly recognized for its prominent cantilevered overhang, this three-level public space also features a conference center with portholes beneath the sea. As you will discover, that lower floor presented all sorts of unusual circumstances that pushed the boundaries of architecture. The building faces MUCEM, a national museum devoted to Mediterranean civilizations. Its audacious design includes elements such as tree-like columns, a lacy façade that resembles a fishnet and a slender footbridge that connects it to the towering ramparts of Fort St. Jean. The square-within-a-square shape of MUCEM is classical in one sense but radically different because of the building materials. The concrete filigree that shields much of the structure is particularly stunning.

HIGHLIGHTS

- Tour two futuristic landmarks with an architectural historian that will describe the designs.
- Discover how the challenges of building an underwater conference center were overcome.
- Recognize how a national museum used revolutionary materials to achieve its design.
