Duration: 6.25 Hrs Price: \$179.00

OVERVIEW

OVERVIEW Behold the natural beauty of the Neretva River Delta while cruising through its canals and estuaries in a traditional wooden boat known as a lada. The valley is so fertile that it is often called Croatia's California, a reference to the many surrounding farms and orchards. Because the wetlands are considered internationally important, much of them fall under the protection of the Ramsar Convention and must be conserved for perpetuity. As a result, wildlife thrives, especially birds. You may spot white pelicans, spoonbills, pied avocets and oystercatchers among the many water birds. Each year, ornithologists record species new to the river delta, a confirmation that the Ramsar protection has been a success. Before emptying into the Adriatic Sea, the Neretva River feeds Lake Kut. After a welcome drink at a riverside tavern, you will dine there, most likely on peka, a traditional dish slowly cooked under a dome-shaped lid.

HIGHLIGHTS

- Cruise through the Neretva River Delta wetlands, an environmentally protected area.

- Dine at a lakeside tavern on the traditional Croatian dish peka.

The Oceania Exclusive format is available on specially selected shore excursions in nearly every port we visit, around the world. Gain an overall understanding of Malta by visiting signature attractions in the island's most characteristic towns. The capital Valletta was constructed primarily as a fortification, as you will discover by viewing its defensive walls and seemingly impenetrable towers. Inland, you will find noteworthy churches such as the 19th-century Mosta Dome, which survived World War II relatively unscathed, despite several bombs falling inside and outside that simply failed to detonate. The church's extraordinary unsupported dome is the of the world's largest such structures. For scenic beauty, few venues compare to the Dingli Cliffs, the island's highest point. From there, you will enjoy extraordinary views of the coast and beyond. You will also see the walled city of Mdina, the former capital of Malta. It is known as the Silent City because so many residents left when Valletta became the capital. You will discover the artistic side of Malta in Rabat by browsing a glass-blowing factory and gold market.

HIGHLIGHTS

- Observe the most imposing fortifications on Malta while driving through Valletta.
- See one of the world's largest unsupported domes in the 19th-century Mosa Dome church.

Duration: 5.50 Hrs Price: \$259.00

OVERVIEW

Mingle with fishermen at a seaside village, learn how they rely on ancient techniques to net fish and then dine on their daily catch. In Marsaxlokk, the fishermen will demonstrate some of the fascinating traditional methods they still use. The design of Maltese fishing boats is also centuries old; they are painted in bright primary colors and prominently feature the symbol of an eye on each side of the bow, which is an ancient Phoenician custom. The fishermen will also display their daily catch, which typically includes lampuki, a species more commonly known as dorado or mahi mahi. They will then lead you to the Tartarun Restaurant near the harbor so the chef can cook the fish for your lunch. It might be a beer-battered and fried, roasted with clams or added to a Maltese fish soup known as aljotta. You can help the chef prepare the meal or just watch. Regardless, it will taste sensational.

HIGHLIGHTS

- See how fishermen in the village of Marsaxlokk still use ancient techniques to net fish.

VLT-GL4 MELITA'S FLORA AND FAUNA, THE LAND OF HONEY

Date: Oct 27, 2024 Time: 09:45 AM

Duration: 4.00 Hrs Price: \$249.00

OVERVIEW

Meet a horticulturalist for a revealing tour of the island's most intact forest and then watch how honey is produced using techniques that date to Roman times. The Knights of Malta originally planted Buskett in the mid-1500s as a hunting ground, and its flora and fauna are extraordinary. There, you can expect to stroll under oaks and Aleppo pines while following winding paths through manicured shrubbery and beds of blooming flowers. Continuing on, you will pause for photos at Dingli Cliffs, the island's highest point. Don't miss the chapel dedicated to St. Mary Madgalene on the edge of the cliff. You will then pass through Mdina, known as Melita in Roman times. The Greeks referred to Malta as Melite, a name derived from the word for honey. How fitting, as beekeeping still thrives. An apiarist will show you how honey is produced locally using techniques that haven't changed in centuries. You will also be offered a taste.

MNA-015 MAMERTINO PATH WINE EXPERIENCE

Date: Oct 28, 2024 Time: 10:00 AM
Duration: 5.00 Hrs Price: \$259.00

OVERVIEW

OVERVIEW Gain insight into the foods and wines produced around the inland town of Santa Lucia del Mela while visiting a winery and farm. The wines are fermented in terracotta amphorae, much like it was done thousands of years ago. Unlike wooden or steel vessels, terracotta provides superior insulation, removes acidity from the wine and allows for better oxygen exchange. One of the wines that has been revitalized in this area – a mamertino – was a favorite of Julius Caesar and so beloved that the Roman scholar Pliny described it in his book Natural History. After touring the wine cellar and dining on Sicilian cuisine thoughtfully paired with wines, you will follow a path through the vineyards and olive groves to a nearby farm. Although dozens of traditional cheeses are made in Sicily, this farm produces a rare one that uses donkey milk. The dairy farmer will describe the process and offer a tasting.

HIGHLIGHTS

- Tour a winery known for its mamertino, a wine that Julius Caesar adored.
- Walk through the vineyards, tour the cellar and enjoy a wine tasting with lunch.
- Visit a farm that produces an unusual cheese with donkey milk.

HELPFUL HINTS

- Dress in weather-appropriate clothing.
- Wear flat comfortable walking shoes.

PLEASE NOTE

PLEASE NOTE Coaches do not have a lift and entering and exiting must be done via stairs. This tour includes approximately 3 hours of walking and standing over even, and uneven surfaces. The sights on this tour are not wheelchair accessible; therefore, it is unavailable to wheelchair guests. Any allergies must be noted when booking the tour. The vineyard and cellar include surfaces with hills, sand and grass. As this excursion involves standing and walking for periods of time of approximately 3 hours, those guests with mobility concerns are cautioned to evaluate their personal level of ability and stamina. Casual, weather-appropriate clothing and comfortable, flat walking shoes are suggested.

PLEASE NOTE

While the greatest care has been taken to offer the finest services available, Oceania Cruises will not be held responsible for any event or omission during the time that guests are not on board the ship or its tenders. All arrangements for certain optional off-board activities, including air transportation, hotel accommodations, ground transfers and shore excursions, are made by Oceania Cruises with the suppliers of the services for the convenience of our guests. Each guest agrees not to hold Oceania Cruises, its owners, employees, agents or representatives liable, in the absence of its own negligence, for any loss, injury, expense or damage which results directly or indirectly from any act or omission, whether negligent or otherwise, of any person or firm which provides any goods or services in connection with any optional travel component or any other option that is available for purchase. Arrangements with independent contractors include but are not limited to services, products and transportation provided elsewhere than on board an Oceania Cruises vessel in connection with tours, whether arranged or organized by tour operators, travel agents or Oceania Cruises. Tours, including hotel accommodations and transportation by any vessel not owned or operated by Oceania Cruises or by air, rail or land, are not under the supervision and control of Oceania Cruises.

Notwithstanding that Oceania Cruises, at the guest's option, arranges air transportation, hotel accommodations, group transfers, shore excursions and other services with independent suppliers of the services, it should be understood that Oceania Cruises, being a "for profit entity," earns a fee on the sale of the optional services.

All Oceania Cruises shore excursion fares are per person, are subject to change and are subject to availability. Some tours are capacity controlled and may be withdrawn at any time without prior notice. While Oceania Cruises makes every effort to adhere to the specifics mentioned in each shore excursion description, circumstances may require otherwise. All shore excursion descriptions and information are subject to change without notice at Oceania Cruises' discretion. Oceania Cruises is not responsible or liable for typographical errors, omissions or misprints.
