Duration: 4.00 Hrs Price: \$279.00

OVERVIEW

Gain an insider's understanding of the challenges in building two avant-garde landmarks by touring them with a guide. Perched along the waterfront, La Cosquer Méditerranée was designed to embody Marseille's deep bond with the sea. Instantly recognized for its prominent cantilevered overhang, this three-level public space also features a conference center with portholes beneath the sea. As you will discover, that lower floor presented all sorts of unusual circumstances that pushed the boundaries of architecture. The building faces MUCEM, a national museum devoted to Mediterranean civilizations. Its audacious design includes elements such as tree-like columns, a lacy façade that resembles a fishnet and a slender footbridge that connects it to the towering ramparts of Fort St. Jean. The square-within-a-square shape of MUCEM is classical in one sense but

radically different because of the building materials. The concrete filigree that shields much of the structure is particularly stunning.

- In order to receive maximum pre-cruise savings, you may pre-purchase shore excursions up until 7 days prior to your sail date.

PLEASE NOTE

While the greatest care has been taken to offer the finest services available, Oceania Cruises will not be held responsible for any event or omission during the time that guests are not on board the ship or its tenders. All arrangements for certain optional off-board activities, including air transportation, hotel accommodations, ground transfers and shore excursions, are made by Oceania Cruises with the suppliers of the services for the convenience of our guests. Each guest agrees not to hold Oceania Cruises, its owners, employees, agents or representatives liable, in the absence of its own negligence, for any loss, injury, expense or damage which results directly or indirectly from any act or omission, whether negligent or otherwise, of any person or firm which provides any goods or services in connection with any optional travel component or any other option that is available for purchase. Arrangements with independent contractors include but are not limited to services, products and transportation provided elsewhere than on board an Oceania Cruises vessel in connection with tours, whether arranged or organized by tour operators, travel agents or Oceania Cruises. Tours, including hotel accommodations and transportation by any vessel not owned or operated by Oceania Cruises or by air, rail or land, are not under the supervision and control of Oceania Cruises. Notwithstanding that Oceania Cruises, at the guest's option, arranges air transportation, hotel accommodations, group transfers, shore excursions and other services with independent suppliers of the services, it should be understood that Oceania Cruises, being a "for profit entity," earns a fee on the sale of the optional services.

All Oceania Cruises shore excursion fares are per person, are subject to change and are subject to availability. Some tours are capacity controlled and may be withdrawn at any time without prior notice. While Oceania Cruises makes every effort to adhere to the specifics mentioned in each shore excursion description, circumstances may require otherwise. All shore excursion descriptions and information are subject to change without notice at Oceania Cruises' discretion. Oceania Cruises is not responsible or liable for typographical errors, omissions or misprints.
