**Duration: 5.00 Hrs Price: \$279.00**

**Date: Nov 12, 2026 Time: 08:15 AM**  
**Duration: 5.00 Hrs Price: \$129.00**

OVERVIEW

Gain an understanding of two lifestyles that are opposite: that of the working people that live on the outskirts of Monte Carlo and that of the billionaires in town. The railway is a vital mode of transportation for many residents of Monaco, known as Monegasques, who commute to and from more reasonably priced districts by train. You will see a cross-section of those commuters before riding a public bus to industrial Fontvieille, where the guide will explain the working-class lifestyle. Another bus will take you to La Condamine, a 19th-century outdoor market where you will observe a genuine slice of daily life while snacking local specialties to take away and browsing the stalls. Back in Monte Carlo, where a third of the residents are millionaires and billionaires, you will see the places where they spend lavishly, including the boutiques and casinos. Understanding the billionaire lifestyle will be eye-opening and quite the contrast to most everything you have seen previously.

HIGHLIGHTS

- Ride the bus with Monaco's working-class commuters for a genuine slice of daily life.

- Browse an outdoor market and mingle with the residents. See the boutiques and casino where Monaco's billionaires spend lavishly.

HELPFUL HINTS

**POF-GL2 PORTOFINO COUNTRYSIDE & LOCAL CRAFT**

**Date: Nov 13, 2026 Time: 09:00 AM**

**Duration: 4.00 Hrs Price: \$259.00**

OVERVIEW

Upon arrival at the pier, you will meet your guide and embark on a cruise to Rapallo. The itinerary includes an orientation walk through the village, with a scheduled stop at a traditional craft workshop. Here, you will receive a demonstration of the renowned "cubelletto" craft. Their unique proportions and distinctive shape—reminiscent of a hat ("cappellino", "cappelletto", from which the term "gobeletto" originates)—distinguish these sweets from standard tartlets. Gobeletti are formed using specialized double molds featuring a concave base and a flat cap, resulting in their characteristic appearance after baking. Alternatively, you may encounter "Pاندolge," a customary confectionery item particularly favored in the Genoa region. Known as "Genoa cake" in the United Kingdom, Pandolge is notable for its dense dough comprised of flour, butter, eggs, and sugar, enhanced with candied fruit, raisins, pine nuts, and grated lemon peel. Next, Chef Guido's team, a group of passionate experts and talented performers—will invite you to join a unique experience exploring the history behind this specialty. A visit to Rapallo would not be complete without participating in a Pesto sauce preparation session led by Chef Guido. Guests will have the opportunity to taste this distinctive ingredient, which features prominently in many local specialties, paired with various extra virgin olive oils, grilled bread, black olive pâté, and accompanied by a glass of chilled white wine produced from grapes grown in the Ligurian countryside. Following this "Pesto experience," you will board a regularly scheduled public ferry for your return journey to Portofino.

HIGHLIGHTS

- Take a ferry to Rapallo and join an orientation walk in the village.
- Stop at a traditional craft workshop for a cubelletto or pandolge demonstration.
- Take part in a pesto-making session with Chef Guido's team, with tastings and a glass of chilled white wine.
- Return to Portofino by public ferry.

HELPFUL HINTS

- Dress in weather-appropriate clothing. • Wear flat comfortable walking shoes.

PLEASE NOTE

It is not available to wheelchair guests and may not be suitable for those with mobility concerns, who should evaluate their stamina and ability before joining the tour.
