STO-016 HISTORIC STOCKHOLM & SIGTUNA

Date: Jul 16, 2027 Time: 08:30 AM
Duration: 7.00 Hrs Price: \$219.00

OVERVIEW

Get inspired on this wide-ranging excursion that visits Stockholm's Old Town, tours the Vasa Museum and travels to a country town with the oldest street in Sweden. The inspiring starts quick, with a drive up to Fjällgatan viewpoint to drink in impressive views covering eight of Stockholm's 14 islands. A drive into Old Town contrasts the giant, ornate Royal Palace façade with narrow, twisting streets lined with medieval buildings sporting rusting coats of arms. After free time for shopping or lunch around convivial Stortorget square, verdant Djurgården island will provide a breath of very fresh air, while a tour of Vasa Museum provides the fascination. The mighty battleship Vasa sank to the bottom of Stockholm harbor in the first minutes of her 1628 maiden voyage and remained there for well over 300 years. Meticulously salvaged and reassembled down to the tiniest artifact, the Vasa is today the world's oldest complete ship and centerpiece of her namesake museum. Venturing out into the northern outskirts of Stockholm, you'll visit an even older relic. Sigtuna is a town of wooden houses, narrow alleys and deep history; founded nearly 1,000

years ago, it's home to Sweden's oldest street and Scandinavia's tiniest town hall.

HIGHLIGHTS

- Enjoy a panoramic overview of Stockholm from Fjällgatan viewpoint, and a walk through Old Town.
- Take free time for lunch or shopping on your own around the colorful Great Square in Gamla Stan.
- Tour the Vasa Museum and marvel at the world's oldest complete ship, reassembled after 333 years underwater.
- See the green island of Djurgården, once the royal hunting ground and now the city's playground.
- Visit historic Sigtuna in the countryside north of Stockholm and walk along Sweden's oldest street.

HELPFUL HINTS

- Wear layered, weather-appropriate clothing.
- Flat, comfortable walking shoes are recommended.

PLEASE NOTE

Duration: 3.00 Hrs Price: \$129.00

OVERVIEW

Get enchanted by one of the world's most easy-to-love cities on a panoramic coach tour that lets you view its top landmarks in relaxed comfort. While many cities with waterways and bridges are likened to Venice in their Chamber of Commerce slogans, this romantic 800-year old capital spread over 14 islands truly warrants the comparison. Once little more than a feudal stronghold, today's Stockholm is a watery blend of magnificently old and boldly new architecture – and you'll be introduced to a great deal of it on this excursion. Foremost among the high points will be your drive around Gamla Stan, the city's cobbled and brilliantly hued Old Town. Perched on its own mid-river island, this captivating medieval time capsule brims with must-sees like the waterside, 608-room Royal Palace where the King of Sweden could probably run mile-long laps without leaving his hallways. Another top sight is the ornate Royal Dramatic Theater, a striking architectural confection along Strandvägen, renowned for its 19th-century palatial skyline. Huge city parks with open public access are also a big thing in Stockholm, as you'll see during your spin through another island, verdant Djurgården, once the exclusive hunting grounds of Swedish sovereigns.

HIGHLIGHTS

- Take in Stockholm's most prominent sights in panoramic comfort on a

guided drive around the city.

- See many of the 14 islands and 50 bridges that make this capital one of the world's most captivating.
- Drive by the cobbled labyrinth of Gamla Stan, palatial Strandvägen, lush Djurgården and much more.
- View signature landmarks like the Royal Palace, Royal Dramatic Theater, and crown-topped City Hall.

Date: Jul 16, 2027 Time: 09:30 AM
Duration: 2.75 Hrs Price: \$209.00

OVERVIEW

Take a guided stroll through the cobbled streets of Stockholm's oldest and coziest quarter – then enjoy a visit to the coolest bar in town. Clustered on one of the Swedish capital's 14 islands, Old Town was the whole town here for centuries. Many of the buildings date from the 1500s and 1600s, and have the baroque doorways and corroded coats of arms to prove it. OVERVIEW

Board an expertly piloted Rigid Inflatable Boat for an exhilarating excursion through Stockholm’s waterways, with a stop on charming Grinda island for refreshments. As stable in the water as are nimble, RIBs may be the ideal way to cover enough ground – well, water – to really get a sense of Stockholm’s magnificent, sprawling archipelago. This substantial cosmopolitan capital is one third water by surface area, with another third committed to green space and woodlands. And the last third, exceptional medieval and modern architecture, palatial waterfront boulevards, and many other sights worth seeing. That all makes for some excellent waterborne touring – especially when your tour vessel can make 50 knots as it zips from here to there, turning on a dime. Your adventure will slow down temporarily when you disembark on the picturesque island of Grinda to enjoy a light Swedish snack and a stroll or just sit back and take in the island’s fresh air and natural beauty for a while. The scenic and speedy return to Stockholm and your ship is coming. Zooom.

HIGHLIGHTS

- Experience a thrilling, high-speed ride by rigid inflatable boat through the Stockholm archipelago.
- Sightsee in this cosmopolitan city arrayed across islands linked by a network of waterways and canals.
- Relax – if you’re able – as your expert pilot steers his nimble craft through precision turns and up to speeds of 50 knots.
- Disembark for some free wandering time and light Swedish refreshments on a picturesque island nature preserve.

Heading downtown, you’ll pass the Concert Hall where the Nobel Prizes are awarded each December. Can’t miss the place, it’s conspicuously blue. And so is the name of the room you’ll soon tour at Stockholm’s iconic city hall. But that room isn’t actually blue despite the name, but it is very grand in scale, which is helpful since it’s where the annual Nobel Award Banquet is held. City Hall’s massive, mosaic-clad Golden Chamber and fabulous Stockholm views

from the garden will also catch your eye. The last leg of your Nobel pilgrimage brings you past Heleneborg, where Alfred Nobel once lived and conducted his nitroglycerine experiments – including the one that accidentally killed his younger brother, Emil.

You’ll be heading right out for a panoramic coach spin through this watery capital at ground level. Stockholm stretches across 14 islands, linked by some 50 bridges to form an uncommonly livable metropolis. And an ancient one, as you’ll drive by cobbled Gamla Stan, the character-filled medieval Old Town district. A delightful contrast to that is found on Djurgarden, a verdant all-park island that was once the royal hunting ground and is now known as Stockholm’s “green lounge.” Some other highlights you’ll see as the coach works its way back to the pier include the ornate Royal Dramatic Theatre, iconic City Hall topped with three golden crowns, and the fashionable design mecca of Östermalm.

Duration: 4.00 Hrs Price: \$269.00

OVERVIEW

Visit stately Drottningholm Palace, first of the Swedish attractions to be named a UNESCO World Heritage Site. The palace was singled out for this recognition in 1991 for good reason: it’s considered the best-preserved example of an 18th-century palace in all of Sweden. Built in the ornate architectural style typified by France’s Versailles, Drottningholm has been the official home of Sweden’s royal family since 1981 and sits in regal splendor on a pastoral lakeside island west of Stockholm. Your coach ride here will offer superb views of the Stockholm skyline as you cross the Western Bridge, but this day’s undisputed showstopper visual is Drottningholm Palace, and that’s before you even get inside. Begun in 1662, the palace’s construction outlasted its designer and was completed by his son. You’ll go inside to tour the magnificently decorated State Apartments, as well as enjoying a free-range stroll through the estate grounds, which include elaborate French- and English-style landscaped gardens. Your return to the city includes a memorable photo stop at Fjällgatan viewpoint, where Stockholm arrays itself before you in its own regal style.

HIGHLIGHTS

- Travel by coach to Drottningholm Palace, UNESCO-listed residence of the Swedish royal family.
- Capture Instagram-worthy views of the unique Stockholm skyline from the Western Bridge and later from Fjällgatan viewpoint.
- Tour Drottningholm lavish salons and State Apartments, decorated with Versailles firmly in mind.

OVERVIEW

Experience the narrow, ancient streets of Stockholm’s Gamla Stan quarter, then tour inside the lavish and very large Royal Palace. Concentrated on one of the 14 islands that make up the Swedish capital’s urban archipelago, Old Town was the whole town here for hundreds of years – and its medieval atmosphere is unmistakable. Many of the buildings date from the 16th and 17th centuries, complete with baroque doorways and corroded coats of arms. You’ll be immersed in color and character as you tour the district, passing landmarks like Coronation Church, admired for its Brick Gothic architecture, convivial Stortorget square, and the old Stock Exchange – now home to the Swedish Academy and Nobel Museum. But none of that grandeur holds a candle to what you’ll encounter on your inside tour of the Royal Palace, where Sweden’s king and queen manage

- Flat, comfortable shoes are recommended.

Duration: 3.00 Hrs Price: \$109.00

OVERVIEW

Travel by public ferry to tour Finland's signature 18th-century sea fortress, straddling several small islands in Helsinki harbor. Its military shipyard was one of the world's largest dry-docks and Suomenlinna was considered on par with the great maritime fortifications at Gibraltar. Today, 250 years on, the citadel remains carefully preserved and makes a fascinating place to explore and learn about. During your walking tour around the Suomenlinna grounds, you'll soon realize that this place is more than a fortress: the complex is really a city within the city of Helsinki, boasting its own library, health center, fire brigade and school. There's even a WWII-vintage submarine parked along the coastline, a restored vestige of Finland's flareup-prone territorial tug-of-war with Russia. After your formal Suomenlinna tour, the ferry crossing back to the Market square, where you will have some short free time to explore on your own, before going back to the ship

Duration: 4.00 Hrs Price: \$99.00

See how Tallinn has changed through the centuries by visiting attractions that best reflect key time periods that define the capital city. Even so, these sorts of historical buildings have been repurposed as stores, as you will discover while browsing the shops around the 15th-century Town Hall Square. Contrasts are even more evident at Viimsi Open-Air Museum, where you will tour dozens of seaside farmsteads from various centuries. The oldest building is a threshing barn from the 1820s. To add to the authenticity and your understanding of Estonian culture, the workers wear period costumes while engaged in traditional activities such as weaving and blacksmithing.

OVERVIEW

Discover why UNESCO deemed the Old Town worthy of a World Heritage site designation on an enlightening walk to the most high-profile attractions and to one lesser-known, but no less intriguing attraction. Despite devastating fires and wars over the centuries, the Old Town remains remarkably intact, especially its multi-towered defensive walls and churches such as the Alexander Nevsky Cathedral. But not every attraction is at ground level. In the 1600s, a series of tunnels were dug for military purposes beneath the bastions of Toompea Castle, but they were long forgotten. Now excavated, they will present you with a rare glimpse into what lies beneath Tallinn and how the tunnels were used. Estonia finally regained its independence from the Soviet Union in 1991, and elsewhere in Old Town you will see the Monument to the War of Independence that honors those freedom fighters. Afterwards, you might browse the shops around the Gothic town hall.

Riga, Latvia

RIG-001 TURAIDA AND SIGULDA

Date: Jul 19, 2027 Time: 10:30 AM
Duration: 5.50 Hrs Price: \$139.00

OVERVIEW

Leave cosmopolitan Riga behind as you travel through lush Latvian forest to explore a picturesque river town known for its castles, caves and romantic legends. Every bustling capital city needs a leafy, rural getaway within reach, a place where locals and visitors can relax in primal nature, preferably with hills involved. The hilly setting in Sigulda, some 30 miles outside Riga city limits, is scenic enough to earn this region the nickname of "Latvia's Switzerland." You'll soon see how well the name fits – especially from the high tower of partially-restored Turaida Castle, a cylindrical brick stunner built in 1214 by the crusading Livonian Brothers of the Sword. You'll also see Sigulda Castle, slightly older and more ruined by time – yet eternally atmospheric. Under an ancient linden tree in Turaida's churchyard, you'll encounter the grave of the Rose of Turaida, young heroine of a 17th-century tale of passion so potent, newlyweds still place flowers here in tribute to enduring love. The waters that flow from natural springs within another riverside landmark you'll visit, vast Gutman's Cave, have endurance properties of their own – drinking them is said to be life-prolonging. And a sculpture park nearby keeps Latvian folklore alive

RIG-002 RIGA - JEWISH HERITAGE TOUR

Date: Jul 19, 2027 Time: 10:30 AM
Duration: 5.00 Hrs Price: \$139.00

OVERVIEW

Be immersed in the profound and moving Jewish history that has been lived in Riga, long a multicultural melting pot. This tour visits numerous important sites and memorial places, including the site of the former Great Synagogue built in 1868, once the city's largest and most beautiful synagogue. On July 4, 1941 it was deliberately torched with hundreds of Jewish worshipers inside. Today, a solemn gray stone marker with the inscription "Magen David" stands where the tragic event took place. The Old Jewish Cemetery was where Riga's Jews were buried from 1725 until 1941, when it was incorporated into the ghetto – and became a communal grave for large numbers of those killed in 1941. You'll stop to visit where the cemetery stood; the site was destroyed after the war and is now a memorial park. In the outskirts of Riga, you'll stand before a tombstone memorial where the Rumbula massacre took the lives of some 25,000 Jewish victims from all over Europe in just a few days during the reign of Nazi terror. Visits to the New Ghetto Museum and Old Town's magnificent Art Nouveau synagogue, a rare war survivor, end the tour on a more uplifting note.

HIGHLIGHTS

- Tour key sites throughout Riga where dramatic events touched the lives of not only Latvia's Jews but thousands of others from around the Baltic.
- Visit memorials where the Great Synagogue stood until a fateful July day in 1941, and in Rumbula forest outside town, where thousands were massacred later that same year.
- See the Jewish Hospital, open to those in need of care regardless of nationality or religious belief.
- Experience poignant historical exhibits at the New Ghetto Museum and tour Riga's only still-functioning synagogue – a lavishly designed building that outlived both the Nazi and Soviet eras.

HELPFUL HINTS

- Wear weather-appropriate clothing.
- Flat, comfortable walking shoes are recommended.
- Bring a hat, sunglasses and sunscreen as needed.

PLEASE NOTE

This tour involves approximate 2 hours of walking over mostly flat terrain, along with cobblestone surfaces at times. Tour is not suitable for

wheelchair guests and those with mobility concerns are cautioned to carefully evaluate their personal level of ability before participating. The order of sites visited may vary.

Duration: 4.00 Hrs Price: \$179.00

OVERVIEW

Experience a pedal-powered spin through Sweden's famed "Town of Roses and Ruins" and along the picturesque Gotland coastline. The guided ride begins near the pier, where you'll be set up with your wheels. Not far away is your first stop, Almedalen, site of the Hanseatic League harbor during medieval times. Passing the Gunpowder Tower, the town's oldest structure, and a botanical garden first planted in the 1850s, you'll continue

uphill to Klinten for stunning panoramas of this UNESCO-listed city and its cathedral. Ancient, narrow lanes lead through the eastern gate of Visby's ring of well-preserved 13th-century walls as you head about 2.5 miles southward to call on Fridhem – a Swiss-style wooden country guesthouse that was the beloved summer palace of Princess Eugenie until her death in 1889. You'll take a break here to enjoy coffee or tea and biscuits. Reinvigorated, you'll head a bit further south to visit Högklint viewpoint, a clifftop overlook famed for its stunning views of the Baltic below and Visby in the distance. The return ride to town will be just as scenic, and soon enough you'll be back on board the ship – resting your likely-weary legs and smiling.

HIGHLIGHTS

- Enjoy an exhilarating two-wheeled tour around medieval Visby and its surrounding coastline.
- See key landmarks including the old Hanseatic harbor and the oldest tower along Visby's 1.5 miles of well-preserved medieval walls.
- Capture breathtaking views from overlooks like Klinten and cliff-top Högklint, in a coastal preserve.
- Savor a mid-ride refreshment break at Fridhem, once the woodsy summer palace of Princess Eugenie.

HELPFUL HINTS

- Wear layered, weather-appropriate clothing.
- Flat, comfortable sneakers or athletic shoes are recommended.
- Bring a hat, water from the ship, and sunglasses and sunscreen as needed.

PLEASE NOTE

Guests should be in athletically fit condition, comfortable on a bike and familiar with the use of hand brakes. This tour is not suitable for children under 12 years. We recommend bringing ample bottled water for hydration during the ride since a considerable distance is traveled before reaching the refreshment stop.

Date: Jul 20, 2027 Time: 10:00 AM
Duration: 5.00 Hrs Price: \$399.00

OVERVIEW

Your day begins by meeting your Chef in The Culinary Center for an introduction to Swedish cuisine and an overview of today's tour. Discover how local foods are ingeniously sourced by visiting two farms that redefine the Swedish farm-to-table experience. Your first stop is Ansarve Sheep Farm. Jenny Granlund runs a typical small scale family farm, but with extensive grazing land and a large lamb production. Jenny also has a farm shop where she sells products from the farm direct to the consumers. Her lamb is a greatly appreciated delicacy due to the varied old grazing pastures and attention to the husbandry of her lambs. Next, you travel to Lilla Bjers Farm, another multi-generational enterprise. You will see firsthand how the owners practice organic, sustainable farming. As you walk through the fields with the farmers, they will elaborate on the produce and how it is harvested. This family-owned farm only grows Swedish KRAV-certified products, a designation that means they are grown in an environmentally friendly and ethical manner. While known for being one of Sweden's largest growers of white asparagus, Bjers Farm harvests at least 150 products, including root vegetables, melons, rhubarb, saffron and strawberries. You will then proceed to the greenhouse, a delightful setting for your multi-course 'lite' lunch of seasonal dishes reflecting the sustainable farming culture and cuisine of Visby. After lunch, return to the ship with a glow from being in the fresh farm air today and a new appreciation for this unique rural paradise that has become a 'bucket list' summer destination for food-centric tourism.

With a minimum of 10 guests and a maximum capacity of just 16 guests, each tour benefits from a higher level of personal attention and the added flexibility and agility that come from traveling in a small group. Oceania Exclusive tours are available for a specially selected number of tours in almost every port we visit, in every corner of the world. Enjoy a scenic drive that includes photo stops at some notable landmarks, such as the impressive Oliwa Cathedral. Transfer from the pier to the Green Gate where you will disembark your coach and walk to the Long Market. Enjoy some brief free time here to perhaps pick up a souvenir or if you choose, view the Main town Hall and Artus Court. Next, you'll drive to the Nowy Port Lighthouse, situated at the entrance of the harbor of Gdansk. This historic lighthouse combined three distinct functions: that of a coastal lighthouse, a harbor pilots tower, and a time ball station. Like in Greenwich, England, the time ball, which measured 5 feet in diameter and weighed 150 pounds, dropped every day at noon to give a precise time signal to the captains of the ships lying at anchor in the Bay of Gdansk. This allowed them to adjust their chronometers, which in turn allowed them later to establish their ship's position (more precisely the longitude) on the open sea. Before returning to the pier, you'll stop for photos at the Oliwa Cathedral. Located on the grounds of an old Cistercian monastery, the cathedral dates back to the 13th century and is a mix of Romanesque, Gothic and Rococo styles. Please note: This tour is mostly panoramic in nature with limited optional walking during stops. Tour is available to wheelchair guests who have a collapsible wheelchair and are able to make their own way on and off transportation. GDY-003 PANORAMIC GDANSK

Date: Jul 21, 2027 Time: 09:30 AM

Duration: 4.75 Hrs Price: \$119.00

OVERVIEW

Settle back for a scenic drive that includes photo stops at some of the most notable landmarks in Gdansk. Oliwa Cathedral, dates back to the 13th century but has been destroyed and rebuilt on several occasions since. The current building is a mix of Romanesque, Gothic and Rococo architectural styles, and inside reverberates one of the world's oldest and largest pipe organs. In Gdansk proper, the Green Gate beckons the group to set off briefly on foot, walking to convivial Long Market square with some free time to shop a bit or admire landmark sights like Town Hall or the 15th-century merchants' palace at Artus Court. A drive to Solidarity Square brings you face to face with the monument honoring the shipyard workers gunned down in 1970 by the Communist regime. Nearby, the 90-foot Nowy Port lighthouse is one of the most handsome in Northern Europe. Standing proudly at the entrance to Gdansk harbor, it serves as a coastal light, a harbor pilot's tower and a time ball station similar to the one in Greenwich, England. This archaic device is the ultimate in analog technology but conjures the lost romance of seafaring ship captains and their chronometers perfectly.

HIGHLIGHTS

- Survey the key sights of Gdansk in relaxed comfort via comfortable coach, with stops for photos.
- See iconic city landmarks like Oliwa Cathedral, Solidarity Square, and Nowy Port Lighthouse.
- Enjoy a brief Old Town walk from the Green Gate to the Long Market, with free time to visit the shops or take in a few must-sees like Town Hall and Artus Court.

Cross the picturesque countryside of southeastern Sweden to visit the country's first Renaissance town, founded in 1603. Your panoramic coach drive from Karlskrona winds along the coast, stopping for photos in places like tranquil little Torhamn as you work your way up to Kristianopel, a city that was being regularly attacked and burned by Danes a century before Karlskrona was even founded. Eventually, this early Renaissance town was rebuilt in a style that featured broad streets intersecting at right angles, allowing its defenders to quickly reach the protective town walls. Once peace finally reigned between Sweden and Denmark, Kristianopel lost its strategic importance and slowly faded into historical obscurity. On your brief escorted walk through town, you'll see remnants of those ancient walls as well as a charming church the Danes put up in 1624 when they still controlled this part of Sweden. You'll also have about an hour to explore quaint Kristianopel at your leisure, perhaps deciding to indulge in some southern Swedish cuisine. Leave room for dessert, the berry-filled pastries here are a treat. So is the scenery on the trip back – which includes a photo stop at Bryggareberget.

HIGHLIGHTS

- Settle in for a scenery-filled coach excursion across southeastern Sweden and along its coast.
- Enjoy a guided walk through the Renaissance-era coastal town of Kristianopel, established in 1603.
- Learn about the colorful history of this quaint burg that was once a frontier outpost repeatedly attacked and burned by invaders.

City hall stands out as it was finished in 1941 during the German occupation of Aarhus, when much of Europe was being destroyed. While driving past the open-air museum Den Gamle By, you will gain further architectural insight, as its dozens of buildings were constructed centuries ago. The circular rainbow-colored walkway that you will spot atop the ARoS museum is a modern art installation that offers sweeping views of the surrounding urban landscape. If the Danish royal family isn't in attendance, you will stop for photos at Marselisborg Palace, their summer residence. It was built in 1902 as a wedding gift for the then prince and princess.

AAR-003 ROSENHOLM CASTLE, GAMMEL ESTRUP MANOR&GARDENS

Date: Jul 25, 2027 Time: 12:30 PM

Duration: 4.50 Hrs Price: \$179.00

OVERVIEW

Delve into Danish history by exploring a private castle that has been in the Rosenkrantz family since the mid-16th century and a manor home that's even older. Rosenholm Castle rises from an island in the middle of a lake, a location that offered natural protection over the centuries. Once inside, you will behold an elaborate interior beautifully furnished in the Rococo style. Tapestries embellish many of the rooms, all of which are decorated with period furniture. Still, the most striking piece is the portrait in the Great Hall of Frederik V, known as the Winter King. It is the work of C.G. Pilo, the official painter to the Danish Royal Court in the 18th century. Not far off, you will find the Renaissance estate Gammel Estrup Manor, which has been a museum for nearly 100 years. Completed in 1460, it presents a window into the lives of Denmark's nobility and their servants.
