UNIQUELY AMERICAN RIVER CRUISES™

A JOURNEY LIKE NO OTHER

There's never been a better time to rediscover America, and there's never been a better way to do it—aboard the grand *American Queen*, the only authentic overnight paddlewheel steamboat in America.

The largest steamboat ever built, the *American Queen* is a gracious and elegant triumph of American ingenuity. Although filled with today's modern amenities, her rooms and accommodations display all the opulence of the American Victorian era. Glistening woodwork, fresh flowers and antiques adorn her interior spaces. Outside, lacy filigree evokes memories of the many stately river steamers that preceded her and inspired her designers.

While on board, you can select a volume from the vast collection in the Mark Twain Gallery, the boat's library. Or enjoy a sing-along in the Main Deck Lounge, and then tap your toes to a lavish show in the two-deck-tall Grand Saloon, the most elegant showplace on the river.

Combining the best of the old and the new, this beautiful lady of the river epitomizes the grace and grandeur that has made steamboating a cherished American tradition for more than two centuries. One voyage and you'll see why.

Appointed with the most luxurious amenities, all suites and staterooms feature plush bedding and fine linens, large mirrors, ample storage space, wall-to-wall carpet and a private bathroom with a shower. All accommodations enjoy nightly turn-down service, complimentary bottled water and fresh fruit.
