

AMERICAN QUEEN®

American Queen Steamboat Company

UNIQUELY AMERICAN RIVER CRUISES™

VOYAGE THROUGH THE HEARTLAND OF AMERICA

Board the *American Queen* and experience the Mississippi River the way Mark Twain did: from the deck of a paddlewheel steamboat. She's the only authentic overnight paddlewheeler in America and the largest ever built. Combining the best of the old and new, the elegant *American Queen* blends modern comforts with Victorian-era ambience, featuring glistening woodwork, fresh flowers, and antique furnishings. Life is slower on the river. So, settle back in the rocking chairs on the lacy-filigreed deck and watch the riverbank roll by.

From Red Wing, Minnesota to New Orleans, Louisiana, indulge in a slice of Americana that celebrates history and hospitality along the banks of the Mississippi. Come join in the cherished American tradition of paddlewheel steamboating—and make a memory like no other.
