DANUBE & RHINE RIVER LUXURY CRUISES

All-Inclusive Luxury Cruising

Discover some of Europe's most dramatic landscapes shaped by the ebb and flow of the rivers that run through them aboard these innovative, five-star, all-inclusive ships. Adorned with handcrafted marble, the Scenic riverboats are synonymous with luxury—and the 1:3 staff-to-guest ratio with a private butler for every guest means that comfort is key.

Relax on board and gain insight into the area's rich culture, history, and landscape courtesy of Scenic's *Tailormade*—a device that expertly narrates facts about tour topics you prefer. If you're looking for a more active adventure, take the Tailormade GPS on shore and pedal at your own pace on one of the ship's electronically assisted bicycles (e-bikes) and learn about the region as you go without the risk of getting lost. However you prefer, Scenic's five-star, all-inclusive cruises provide the opportunity to explore the European rivers and culture one private concert, charming village, and romantic chateau at a time.

The River Terrace, Crystal Dining, River Café, Portobellos, and Table La Rive restaurants ensure that whatever the craving, there's food and drink to satisfy. Indulge in five-course meals featuring local fares and regional wines. Watch the ever-changing scenery unfold from the comfort of your private balcony, have your butler draw you a bath, or take advantage of the 24-hour room service. You'll have access to a wellness area, complete with massage services, hair salon, and gym.
