DOURO RIVER LUXURY CRUISES

Carefree Luxury on the Douro River

Built in 2016 exclusively for cruising Portugal's Douro River, *Scenic Azure* is the fleet's most intimate vessel, with capacity for 96 guests in 48 luxury cabins. Explore Portugal's unspoiled landscapes in carefree comfort on an all-inclusive cruise. With tastefully appointed public spaces and spacious suites, a 1:2 staff-to-guest ratio, and a private butler for every suite, luxury is the absolute standard.

As on every Scenic Cruises ship, all-inclusive means all-inclusive. Enjoy all-day casual dining at the River Café, or indulge in an evening of fine dining featuring international and local fares and regional wines. Enjoy beer, wine, and premium spirits at no extra cost. Set out on daily included excursions. And on board or ashore, explore Portugal with the *Tailormade* GPS, a smartphone app that narrates facts about sights as they unfold before you—use it along with the ship's e-bikes to strike out on your own without the risk of getting lost.

So watch the banks of the Douro River glide by from the comfort of your private Sun Lounge balcony, have your butler deliver freshly pressed shirts, and indulge in 24-hour room service. And then relax knowing that your cruise is all-inclusive, from drinks and dining to excursions and gratuities—and every detail in between.
