So, settle into a rocking chair on the deck, recount your adventures over a tall sweet tea, and watch the rolling shoreline glide by.

The one-of-a-kind *American Countess* combines the paddlewheel riverboat tradition with the comforts of contemporary décor. She boasts all the distinctions that make American Queen Steamboat Company the most award-winning river cruise line in America: Broadway-caliber performances, critically acclaimed cuisine featuring local ingredients, and an extraordinary staff-to-guest ratio.
