OVERVIEW

Gaze into the crater of a still-active volcano and experience the green sulfuric waters of a thermal spring on this fascinating tour. Board a caique, a traditional fishing boat, and sail to the lava rock islet of Nea Kameni, where you'll take an approximately 20-minute walk up an unpaved path among lava fragments and volcanic rock formations toward the crater of a still-active volcano. Learn that the island was named Nea Kameni, meaning "new burnt," because it is only 400 years old. Perhaps you'll observe steam rising from the crater's walls and capture photos of the fascinating phenomenon. Re-board the caique for an approximately 20-minute cruise to the thermal springs at the nearby island of Palea Kameni. Understand that Palea Kameni means "old burnt," since this area is over 2,000 years old, which unlike Nea Kameni has allowed it to develop soil to support a few goats, wild rabbits and some vegetation. Time permitting, you may take a dip in the relaxing, mineral-rich waters, whose temperatures can sometimes reach 98 degrees Fahrenheit. Marvel at nature's awesome power and resilience in these glorious volcanic sites.

HIGHLIGHTS

- Climb to the crater's rim of a still-active volcano on the 400-year-old islet of Nea Kameni.
- View lava fragments, volcanic rock formations and steam likely rising from the crater.
- Discover the 2,000-year-old islet of Palea Kameni and its tenacious wildlife.
- Enjoy a refreshing swim in Palea Kameni's warm thermal springs, if time allows.

HELPFUL HINTS

- Wear casual, weather-appropriate clothing and closed-toe, rubber sole walking shoes.
- If you wish to swim, wear swimwear under a cover-up and bring a towel from the ship.

RHO-012 SAILING IN RHODES (PRICED PER BOAT)

Date: Jun 07, 2023 Time: 11:00 AM
Duration: 5.25 Hrs Price: \$999.00

OVERVIEW

Sail along the island's beach-blessed eastern shore, taking in the magnificent scenery and stopping along the way to swim and snorkel. One of the most beautiful stretches of sand is Kalithea Beach, which earned a Blue Flag eco-designation for the high quality of its water and strict environmental preservation. Because the sea is so clear there, snorkeling is particularly popular. Schools of porgies, brightly colored wrasses and damsel fish are commonly spotted along the rocky bottom just offshore. You will also visit a beach farther south that is so gorgeous that Anthony Quinn purchased it after filming "The Guns of Navarone" in the area in 1960. Named for the actor ever since, the beach offers excellent snorkeling and swimming as the waters are remarkably transparent. The smallish cove that shelters the beach couldn't be more photogenic. Following your beach activities, you will enjoy lunch on your vessel before returning back to port.

HIGHLIGHTS

- Admire the gorgeous coastal scenery as you sail along the eastern shore of Rhodes.
- Swim and snorkel at Kalithea, a Blue Flag beach known for its excellent water quality.
- Relax on a spectacularly beautiful beach that actor Anthony Quinn once owned.

Those guests with mobility concerns are cautioned to evaluate their personal level of ability and stamina. Guests who go ashore do so with the understanding that they will be mixing with members of the general public at the beaches and stops. If cancellation of this tour is made within 5 days of arrival in the excursion port, there will be a 100% cancellation fee charged to the guest's shipboard account.
