VOYAGE THROUGH THE HEARTLAND OF AMERICA

Board the American Queen® and experience the Mississippi River the way Mark Twain did: from the deck of a paddlewheel steamboat. This iconic riverboat is America’s largest authentic paddlewheeler. Combining the best of the old and new, the elegant American Queen® blends modern comforts with Victorian-era ambience featuring glistening woodwork, fresh flowers, and antique furnishings. Life is slower on the river. So plan to settle back in the rocking chairs on the lacy-filigreed deck and watch the riverbank roll by.

From Red Wing, Minnesota to New Orleans, Louisiana, indulge in a slice of Americana that celebrates history and hospitality along the banks of the Mississippi. Come join in the cherished American tradition of paddlewheel steamboating—and make a memory like no other.
