Tokyo is an ultra-modern city built on deeply traditional roots. This bustling capital invites you to explore its diversity—from the quiet history of the temples, shrines, and the Imperial Palace to the pulse of downtown life that ebbs and flows in the shadows of the towering skyscrapers. Considered one of the best food cities on the planet, Tokyo has 230 Michelin-starred restaurants. Like the city itself, these restaurants call on the traditions and culture of Japan while serving up dishes with a contemporary flair.
