ONBOARD ENRICHMENT

Resident Historians & Experts

Every cruise features an onboard expert who hosts discussions and is available throughout each day to add context to your journey along the river. These accomplished professionals also provide briefings on each port, offer their recommendations based on your interests, and connect the stories of each destination to the history of the river.

Nightly entertainment ranges from interactive lectures to live musical performances in one of the ships' inviting lounges. Resident entertainers provide light music in the afternoon, while renowned artists join us in the evening for world-class entertainment.

ONSHORE EXPERIENCES

Each of these small ships provides a genuine and customized exploration of areas inaccessible to large ships and crowds, allowing us to explore small towns in the most meaningful way possible. Guided shore excursions bring out the distinct flavor and unique culture of the destinations visited.

Through a careful understanding of guests, American Cruise Lines provides an enriching, destination-focused experience. Small groups visit historic homes, farms, music venues, and more, as we discover each unique place. Every excursion is led by a local guide and accompanied by an American Cruise Lines' team member who is always available to assist.

CULINARY PROGRAM

A team of master chefs prepares a traditional American menu with a regional flair that features the freshest local ingredients. Fresh foods are brought aboard daily, some from the farms and vineyards visited along the way. The culinary program is one more way that we connect your onboard experience to the destinations visited.

MADE IN AMERICA

American Cruise Lines is an all-American family company. Every itinerary is domestic, but it only starts there. Each new ship begins in Chesapeake then begins the vessel construction in Salisbury, MD. Steel is sourced from U.S. manufacturers. Once built, the ship becomes one of very few cruise ships that is truly American. It is registered in the U.S. and flies the American flag at the stern, where ships display their nation's flag.

The American Cruise Lines crewmembers bring the ship to life, exploring the U.S. Many of the crew have sailed for years.
